

WARREN Primary School

NEWSLETTER 19 JANUARY 2023

We hope that you are all managing to stay warm and well as the cold snap continues and that the nearly-New Year is treating you well.

As the wintery weather continues we would like to share the advice for keeping children healthy during this usual period of winter illnesses - [A parent's guide to keeping kids healthy this school term - UK Health Security Agency \(blog.gov.uk\)](https://www.blog.gov.uk)

Please do remember to ensure that your child is dressed appropriately to be outside at this time of year and that coats, hats, gloves and scarves along with anything else are all named. Only two weeks in and already our lost property box is filling up!

School Gates

Please do remember that our Reception and Key Stage One classes open their doors from 8:40am until 8:45am when their day begins. Therefore, the large black gates to the main playground and opposite 5F door will close very shortly after this in order to keep the children safe.

KS2 children should arrive at their classroom doors between 8:45am and 8:50am. Anyone arriving after this should use the main school entrance by the office.

Library

Please remember that pre-schoolers are able to borrow suitable books from our library when accompanied by their parent/carer at our before school sessions

Website

Please visit the class pages on the new website. You can also go there to follow us on Facebook, Instagram and to keep updated on forthcoming events.

Parent and Carer Consultations

Please note that Spring Term Parent and Carer consultations will take place on Tuesday 12th March and Thursday 14th March from 3:30pm until 6pm. Further information will follow with regard to booking appointments.

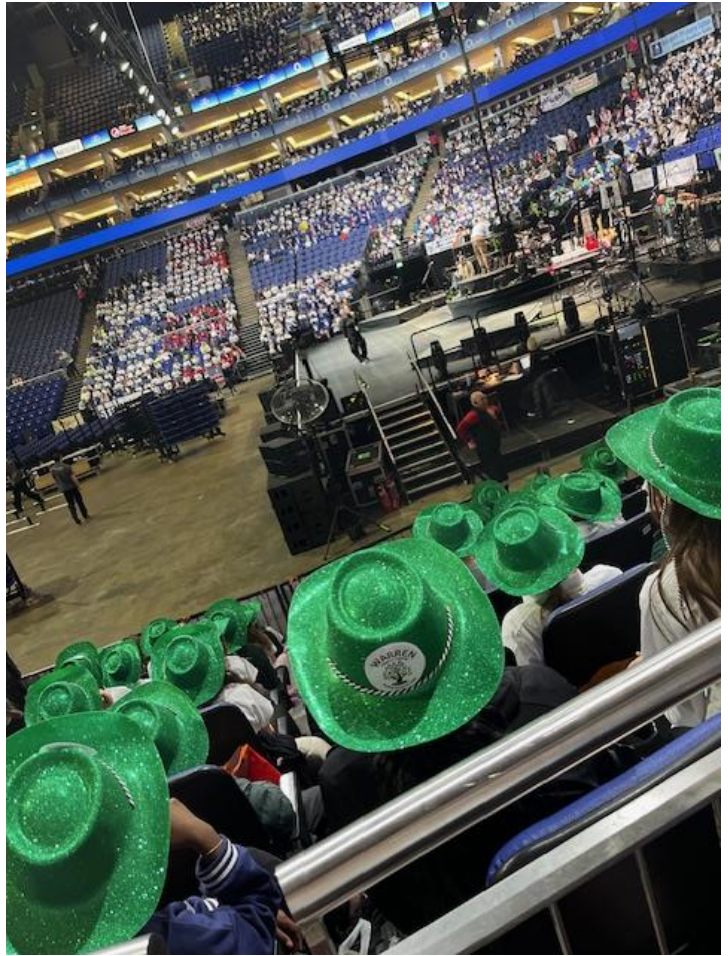

Aspirations Week

It has been an amazing week with many of our extended Warren family and friends (human and canine!) coming in to share their knowledge, skills and time with children in assembly and with different classes. We would like to thank all of those who have given their time and we hope that this has been a chance for children to open their eyes to a huge range of different opportunities to aspire to achieve whatever they choose as they grow into young adults as well as making further links with other schools. With thanks to all of the staff for supporting this week and particularly to Mrs Smith who has enthusiastically liaised with so many of those visitors coming in to the school.

Young Voices

Our Choir comprised of Year 4,5 and 6 children had an amazing experience at the O2 on Monday and despite the late night returned to school buzzing with the excitement of the experience. Thanks to all the staff who have worked hard to practise with the choir over the last few months and gave their time on a very cold and late night to give our children this amazing opportunity. We hope they treasure this memory – as well as the snazzy hats!

Dates for your diaries:
