

WARREN Primary School

NEWSLETTER 02 FEBRUARY 2024

Another busy fortnight - unfortunately with lots of winter sickness and illness for many members of our school family. We wish everyone who is still unwell a swift recovery and would like to thank all the staff for pulling together through what has been a challenging period of staff absence as well as for the children and families. Thank you also to you at home for helping us to follow protocols and encourage good hygiene to try to keep everyone healthy. The number of children and adults affected has fallen significantly. Please continue to follow Public Health guidelines and school policy of not sending your child back to school before 48 hours has past since their last vomiting/ diarrhoea episode.

We have managed to return to normality in terms of clubs and hope to go back to greater normality next week.

Today has seen many of the children join in to help raise money for the NSPCC's number day as well as take part in some exciting maths activities. Thank you to everyone who has supported this event in some way. We raised £311. For the NSPCC

Tuesday saw us say a very sad goodbye to Mrs Marie Summers who has been at Warren for over a quarter of a century and now would like to move closer to her family. Many children will have fond memories of Mrs Summers from their time in Early Years and of her passion for outdoor learning and Forest School. We would like to once again thank her for her many years of dedication to Warren and the difference that she has made to our children. She will be sadly missed by the staff team and children alike.

We are pleased to see Mr Ayris begin his return to work and would like to thank Ms Miller for her hard work with 2A during his absence.

Last week Mrs Smith led a team of children at a Bowling event at Namco Funscape, Romford, organised by the Panathlon Challenge. The children had a great trip and enjoyed the bus ride there and back.

A quick reminder to again please be considerate if you must drive to school. Please do not block pavements and slopes making it difficult for pedestrians to navigate safely to school. Please also do not block the roads or block any of our neighbours' drives. If you do park your car, please also ensure that you leave enough room for emergency vehicles to pass through.

You should be receiving a letter regarding our forthcoming Parent Governor election. Please consider this opportunity carefully. Being a Parent Governor provides a great opportunity to be directly involved in the further development of Warren Primary School.

We are still looking for anyone with experience and knowledge of seeking grants / funding to support us with some proposed projects. Please contact the school office if this is something you are interested in.

It is Children's Mental Health Week next week with activities planned to support this important event. There is a section for families on their website <https://www.childrensmentalhealthweek.org.uk/families/> which has information and ideas for supporting your child's mental health at home.

Please remember to visit our website for more information and news.
